# Problem in Decision Making

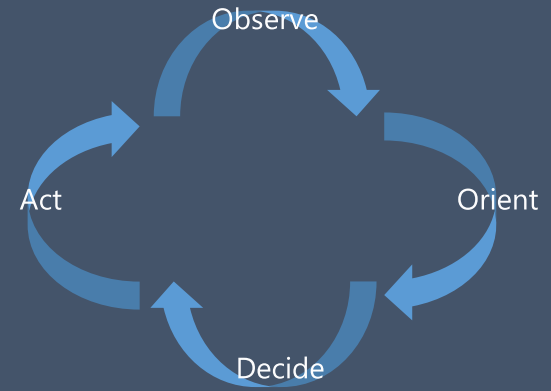

# Return to Observe

- In a Decision Cycle, we can make sense of the world we live in
- As we Observe, distant churchy stuff drops away
- As we Orient and Prioritize, the impersonal becomes personal
- In our Decisions, Faith becomes Vocation
- Action shifts toward the Kingdom
- The Kingdom of God Revolution begins to land in the swirl of what we Observe as we continue a disciplined Decision Cycle
- We no longer "Look Down"

***The Kingdom of God Revolution began when God said, "Let Light Be."***

# Genesis

Genesis 1, 2	Creation – Promises in Creation
Genesis 3	Fall of Man – First Promise of salvation
Genesis 4	Cain & Abel – Promise of children
Genesis 5	Genealogy of Noah – Promise in the names
Genesis 6-9	Flood of Noah – Promise in the Sky
Genesis 10-11	Tower of Babel – Promise of Liberty
Genesis 12-20	Abraham – Promise through Shem and Sedeq
Genesis 21-26	Isaac – Promise through Abraham and Sarah
Genesis 27-36	Jacob – Promise through Leah into a nation
Genesis 37-50	Joseph and Judah – Through two types of Christ

Completion

# Outline

- What starts in Genesis completes in Revelation
- The Gospel in Gen 5
- Genesis 6 Experiment
- Exponential Parallels

\* **Mat 24:21-22** For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. And unless those days were shortened, no flesh would be saved; but for the elect's sake those days will be shortened.

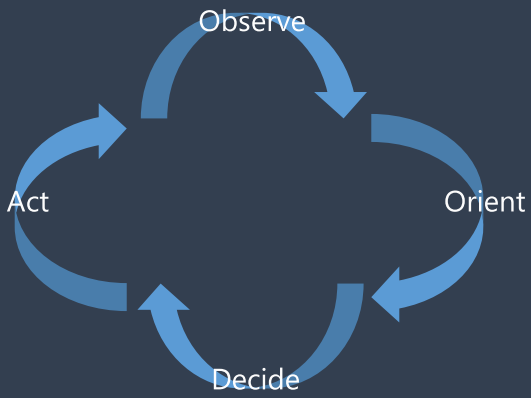

\* **Mat 24:37-39** But as the days of Noah *were*, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, and did not know until the flood came and took them all away, so also will the coming of the Son of Man be.

TIME to study Genesis

# Two analysis Points linked to Gen 4-6

- Premise #1: The Pre-Flood world (The days of Noah) defies description in anything less than modern terms.
- Premise #2: Jesus Promised in Matt 24 the days of Noah would return in the last days

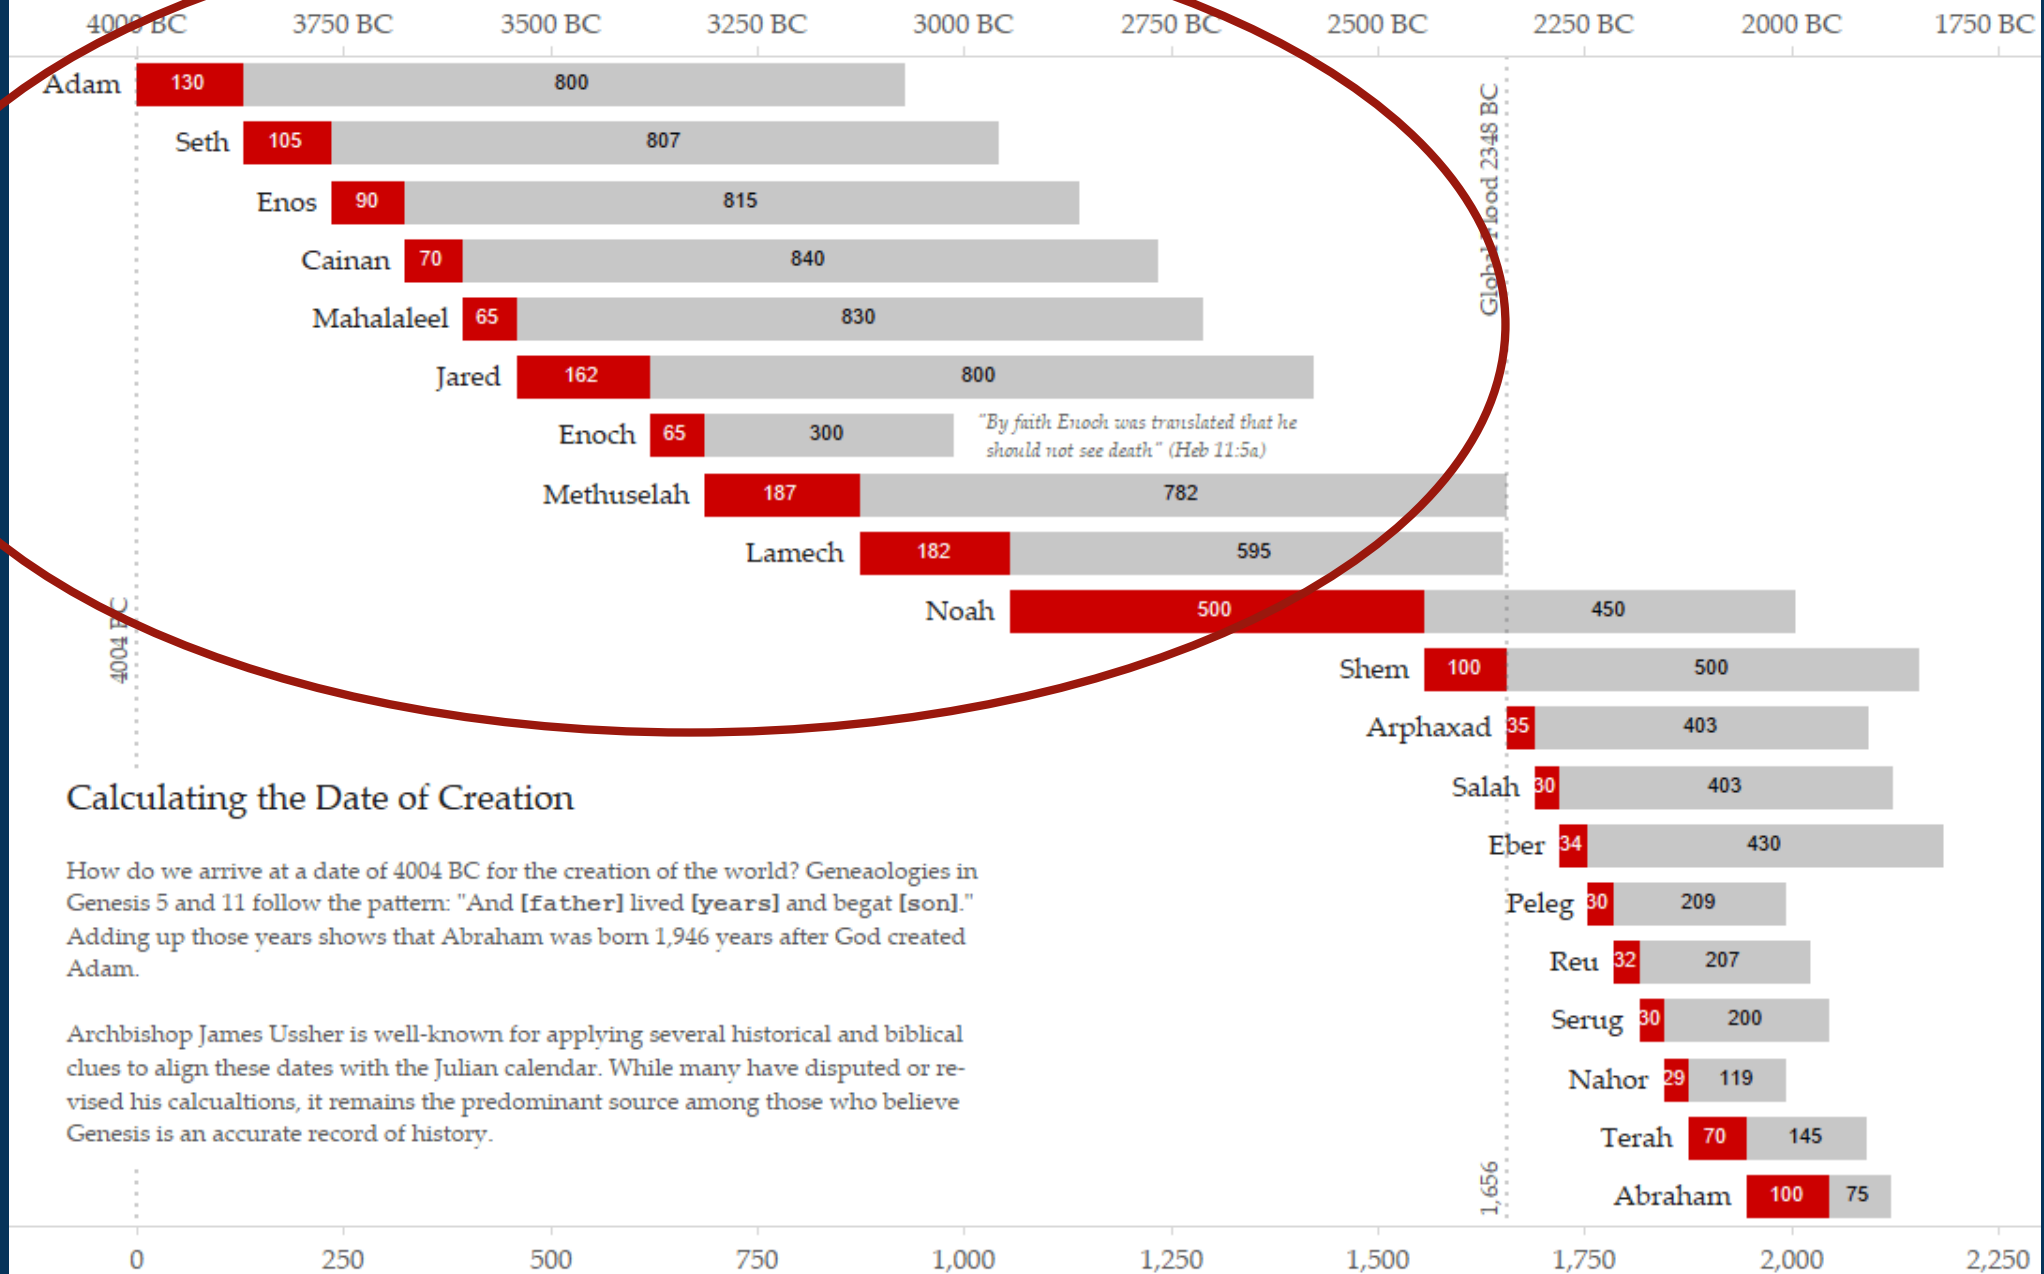

# Genesis vs. Revelation

	Gen	Rev
■ Man driven out of Eden	3:24	
■ Man restored		22
■ Tree of life guarded	3:24

# Genesis Timeline from Adam to Abraham

## Calculating the Date of Creation

How do we arrive at a date of 4004 BC for the creation of the world? Genealogies in Genesis 5 and 11 follow the pattern: "And [father] lived [years] and begat [son]." Adding up those years shows that Abraham was born 1,946 years after God created Adam.

Archbishop James Ussher is well-known for applying several historical and biblical clues to align these dates with the Julian calendar. While many have disputed or revised his calculations, it remains the predominant source among those who believe Genesis is an accurate record of history.

# A Riddle

- Who is the oldest man in the Bible?

*Methuselah; he lived 969 years.*

- Yet he died before his father!

*How can that be?*

- His father was Enoch...

At age 65, something happened;  
he then "walked with God" 300 years...

# Genealogy of Genesis 5

Adam

Seth

Enosh

Kenan

Mahalalel

Jared

Enoch

Methuselah

Lamech

Noah

# Adam

*adomah*, means "man"

# Seth

*seth*, which means "appointed"

*Eve said, "For God hath appointed me another seed instead of Abel, whom Cain slew."*

Genesis 4:25

# Enosh

which means “mortal,” “frail,” or  
“miserable”

It is from the root *anash*, to be incurable;  
used of a wound, grief, woe, sickness, or  
wickedness.

# Kenan

which can mean "sorrow,"

"dirge," or "elegy"

# Mahalalel

which means “blessed” or “praise”; and *El*, the name for God.

“The Blessed God.”

Jared (Yared)

from the verb *yaradh*, meaning  
"shall come down."

# Enoch

which means “commencement,”  
or “teaching.”

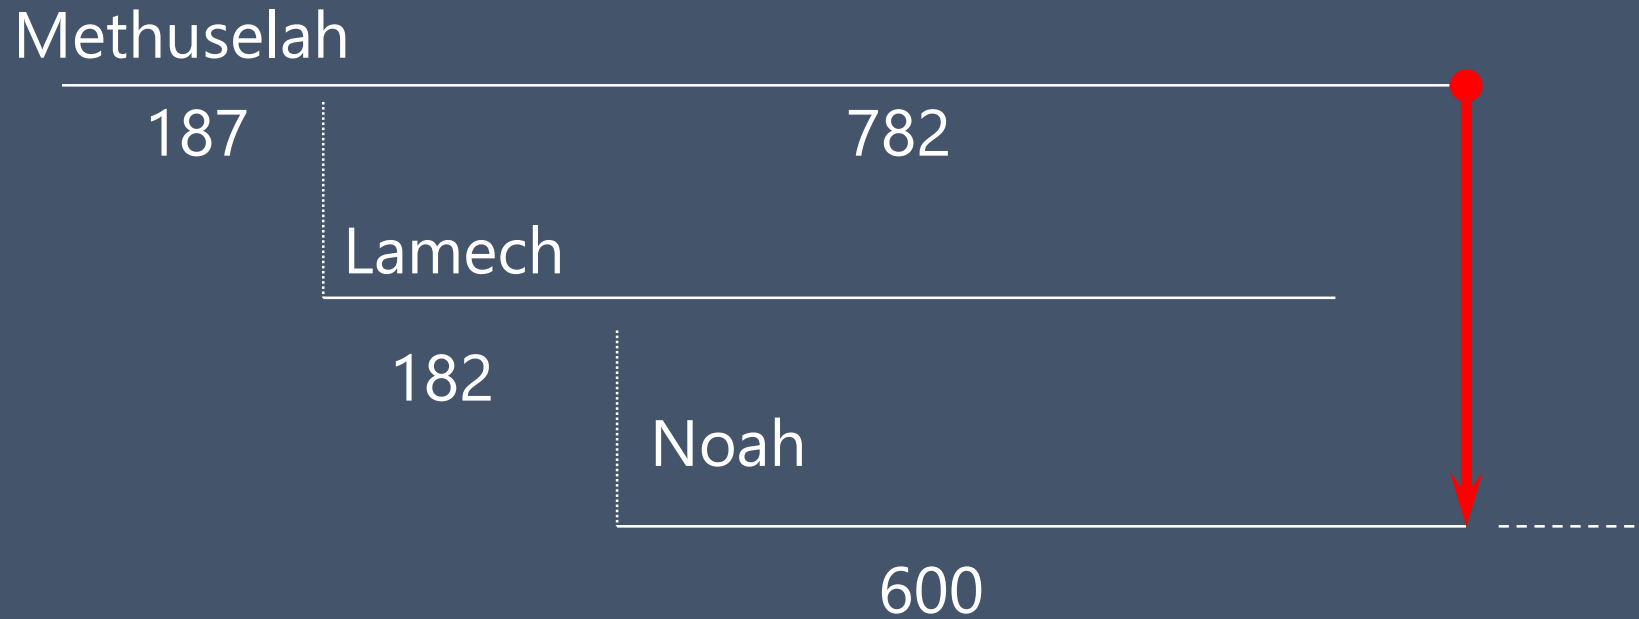

# Methuselah

*muth*, a root that means "death"

*shalach*, which means "to bring," or "to send forth"

"His death shall bring"

# The Year of the Flood

# Lamech

a root still evident today in our own English word, "lament" or "lamentation."

"Despairing."

# Noah

which is derived from *nacham*,

“to bring relief” or “comfort”

“Comfort, or Rest”

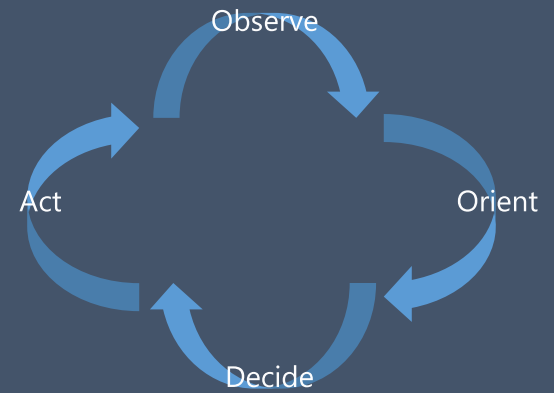

# Noah

*And he called his name Noah, saying, This same shall **comfort** us concerning our work and toil of our hands, because of the ground which the Lord hath cursed.*

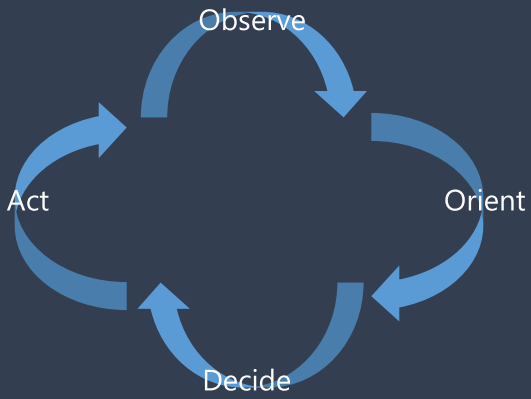

**Genesis 5:29**

# Genesis 6

# Controversial to Many

- Based on study that influenced my personal analysis of Scripture
  - Imagination and Innovation framed with scriptural revelation
  - Take my analysis with not just a grain but a couple of bags of salt
  - Be Bereans
- Began my journey of faith in Church of Christ
  - Very conservative... Lots of word
  - My Grandpa and Chuck Missler (khouse.org) destroyed me for a plain pedestrian sidewalk approach to scripture... No longer a well-adjusted student of the Bible.
- Into Genesis 6: 1 – 9
  - Possibly as critical a pivot point into global disaster as Revelation 6
  - Jesus' warning in Matt 24
  - How are Gen 6 (days of Noah) and Rev 6 (last Days) linked?

# Ravi's Blog

- So with what philosophers would call “Hobson's Choice,” I (Ravi) ask three questions.
  - First, which of the two candidates is more likely to surround the highest office with those with a hint at moral reasoning? **That may at least give a glimmer of hope.**
  - Second, who is more likely to appoint as keepers of the law those who go back to our roots in order to secure the future? **That will at least recognize a beginning.**
  - Third, who stands on a platform of values that guards my essence and my existence? **That may at least guide our destiny.**
- Recognizing a beginning... And an End

Read Gen 6: 1 - 9

# Jesus' Strange Warning

*But as the Days of Noah were,  
so shall also the coming of the Son of Man be.*

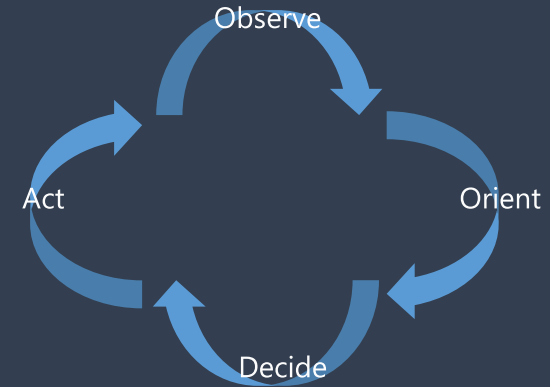

[Matthew 24:37](#)

*What does that mean?*

*As a Christ Follower, Historian, and Geek, I ponder,  
'What are the Pivot Points of the Promise in this  
Prophecy?'*

# Thinking the Problem of Matt 24:37

- The Days of Noah
  - Presumptions of modern scholars
    - A 2,000 year long stone age from Adam to Noah
    - Barely dropped off the trees
    - Nomadic Existence
    - Dinosaurs?
    - Ships?
    - Metallurgy?
    - Music?

**Gen 4: 21 – 22** His brother's name *was* Jubal. He was the father of all those who play the harp and flute. And as for Zillah, she also bore Tubal-Cain, an instructor of every craftsman in bronze and iron. And the sister of Tubal-Cain *was* Naamah.

**I Enoch 8: 1** And Azazel taught men to make swords and knives and shields and breastplates and made known to them the metals of the earth and the art of working them and bracelets and ornaments and the use of antimony

**I Enoch 8: 2** Semjaza taught enchantments and root cuttings, Armaros the resolving of enchantments, Kokabel the constellations, Ezeqeel the knowledge of the clouds...And as men perished they cried, and their cry went up to heaven.

# The Real Possibility

- Barry Setterfield's Chronology – Adam to Noah 2256 years
- Generation – 80 years? Psalm 90
- Average Age – Perhaps 912 Years
  - What if Einstein lived 900 years?
  - What if doctors, scientists and mathematicians lived 900 years?
  - Oxygen and Water Canopy produced longer, healthier productive lives?
- 1 Enoch – Michael commanded to bind fallen Angels  
70 Generations
  - 5,600 Years
  - Equals possible release in late 19<sup>th</sup> ~ Early 20<sup>th</sup> Century???

# Genesis 6

*And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, that the Sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.*

Genesis 6:1, 2

# "Sons of God"

*Bene HaElohim* = angels (MacArthur's Study notes)

- Old Testament: Job 1:6, 2:1, 38:7
- New Testament: Luke 20:36
- *Book of I Enoch*
- *READ Septuagint (LXX)*
- I Enoch 15: 2-4 Go, say to the watchers of heaven who have sent you to intercede for them, "You should intercede for men, and not men for you. ...You left the high, holy, and eternal heaven, and lain with women and defiled yourselves with the daughters of men and taken to yourselves wives, and done like the children of earth, and begotten giants as your sons.

# "Daughters of Men"

*benoth adam* = "daughters of Adam"

*(Same as in the earlier part of the same sentence of Genesis 6:1, 2)*

# Unnatural Offspring

*There were **Nephilim** in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.*

**Genesis 6:4**

# The Nephilim

*Nephilim:* "the fallen ones"

*Nephal:* "to fall, be cast  
down to fall away, desert"

# “Giants?”

Septuagint (Greek):

*gigantes* = “giants”? (Unfortunate Translation)

*gigas* = “earth-born”

# Unblemished Genealogy

*These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God.*

Genesis 6:9

*tamiym* = "without blemish, sound, healthful, without spot, unimpaired"

# New Testament Confirmation of Strangeness

*For if God spared not the angels that sinned, but cast them down to hell (*Tartarus*), and delivered them into chains of darkness, to be reserved unto judgment; And spared not the old world, but saved Noah...*

*2 Peter 2:4, 5*

And the angels who did not keep their proper domain, but left their own abode, He has reserved in everlasting chains under darkness for the judgment of the great day;

*Jude 1: 6*

# Historical Confirmation

- I Enoch 15: 2-4 Go, say to the watchers of heaven who have sent you to intercede for them, "You should intercede for men, and not men for you. ...You left the high, holy, and eternal heaven, and lain with women and defiled yourselves with the daughters of men and taken to yourselves wives, and done like the children of earth, and begotten giants as your sons

# Text Itself

- “Sons of God” *never* used of believers in the Old Testament
- Seth was not God; Cain was not Adam
- (No mention of the “daughters of Elohim”)
- Grammatical Antithesis ignored

# Post-flood Nephilim

- "...also after that..."      *Genesis 6:4*
- *Rephaim, Emim, Horim, Zamsummim*  
    *Genesis 14, 15*
- Arba, Anak & his 7 sons (*Anakim*), encountered in Canaan:      *Numbers 13:33*
- Og, King of Bashan:      *Deut 3:11; Josh 12*
- Why did David pick up 5 rocks?
  - Goliath had brothers and four sons (*1 Chron 20:5, 2 Sam 20: 19-22*)
  - David had no intention of missing any of the Giants

# Corruption

- **Gen 6:11-12** The earth also was corrupt before God, and the earth was filled with violence. So God looked upon the earth, and indeed it was corrupt; for all flesh had corrupted their way on the earth.
- Corruption:
  - Hybridization
  - Angels and Humans
  - Animal hybrid variants?
  - Plant hybrid variants?
  - More Detail in Enoch, Jasher, and Jubilees

# Possibilities: DARPA Super Soldier Project

- War is going to look really, really weird.
- 'Super Soldier' research that DARPA, Defense Advanced Research Projects Agency, is working on right now is unlike anything we've ever seen before. If DARPA is successful, and if the American people don't object, the soldiers of the future will be genetically modified trans-humans capable of superhuman feats.
- Trans-human:
  - Merging of human and animal DNA to create new, hybrid creatures with enhanced abilities.
  - Do you want a soldier that can run faster than Usain Bolt? DARPA is working on that.
  - Do you want a soldier that won't need food or sleep for days? DARPA is working on that.
  - Do you want a soldier that can regrow lost limbs? DARPA is working on that. Do you want a soldier that can out-lift Olympic weightlifters and that can communicate telepathically? DARPA is working on that.
  - Americans flock to movies about superheroes and mutants, and soon they may actually have real life "superheroes" and "mutants" fighting their wars for them. But at what cost?
- "A recent Daily Mail article detailed many of the strange research projects that DARPA is working on right now. The fact that DARPA has actually allowed these projects to be revealed in the mainstream media probably means that the development stage is nearly over and they are ready to try to convince a wary public to accept them.
- "Tomorrow's soldiers could be able to run at Olympic speeds and go for days without food or sleep, if new research into hybrid gene manipulation is successful.

# Creating our own Living Hell.

- Most gene modification techniques involve placing genetically modified DNA inside a virus and injecting it into the human body. The virus then enters human cells, and its modified DNA attaches itself to the human DNA inside those cells. One of the processes is called, RNA inference.
- When you really stop and think about this kind of technology, the implications are staggering. Could viruses be used to genetically modify humanity on a large scale? How would the rest of humanity respond to a “super race” of mutants that are clearly “superior” to the rest of us in a bunch of different ways?
- When you start messing with creation, it opens up Pandora’s Box. The possibilities are endless, but so are the potential problems. Just because we can do something does not mean that we should. There may be consequences decades down the road that we cannot even conceive of right now.
- Merging men with machines or messing with the very fabric of life is the kind of thing that science fiction movies are made of.
- Unfortunately, if we make a very serious mistake, we just can’t get up and turn off the movie. Any mistakes that we make could stay with us indefinitely. But at this point, it looks like there is very little standing in the way of these kinds of technology becoming mainstream.
- Futurist Ray Kurzweil believes that we are only about 20 years away from actually achieving immortality. Author of ‘The Singularity is Near,’ thinks the world as we know it will be unrecognizable in 20 years. Among the changes that are possible, Scientists may finally crack immortality.
- Other scientists now believe that in around 20 years, we will have the means to reprogram our bodies’ storage software so we can halt, then reverse, aging. Nanotechnology will let us live forever. Ultimately, nano-bots will replace blood cells and do their work thousands of times more effectively.’

# Where is it taking us?

- Technology is advancing at such a rapid pace that it's really hard to keep track of it all.
- Our lives are becoming completely dominated by technology, and that's a very dangerous thing.
- We like to think that all of these new technologies will always be used for good and will never fall into the hands of tyrannical madmen, but history tells us that liberty and freedom are very rare phenomenon.
  - Genetically driven Caste System
  - Enforced by Trans-Human modified super Soldiers

***Like the days of Noah?***

# Exponential Parallels?

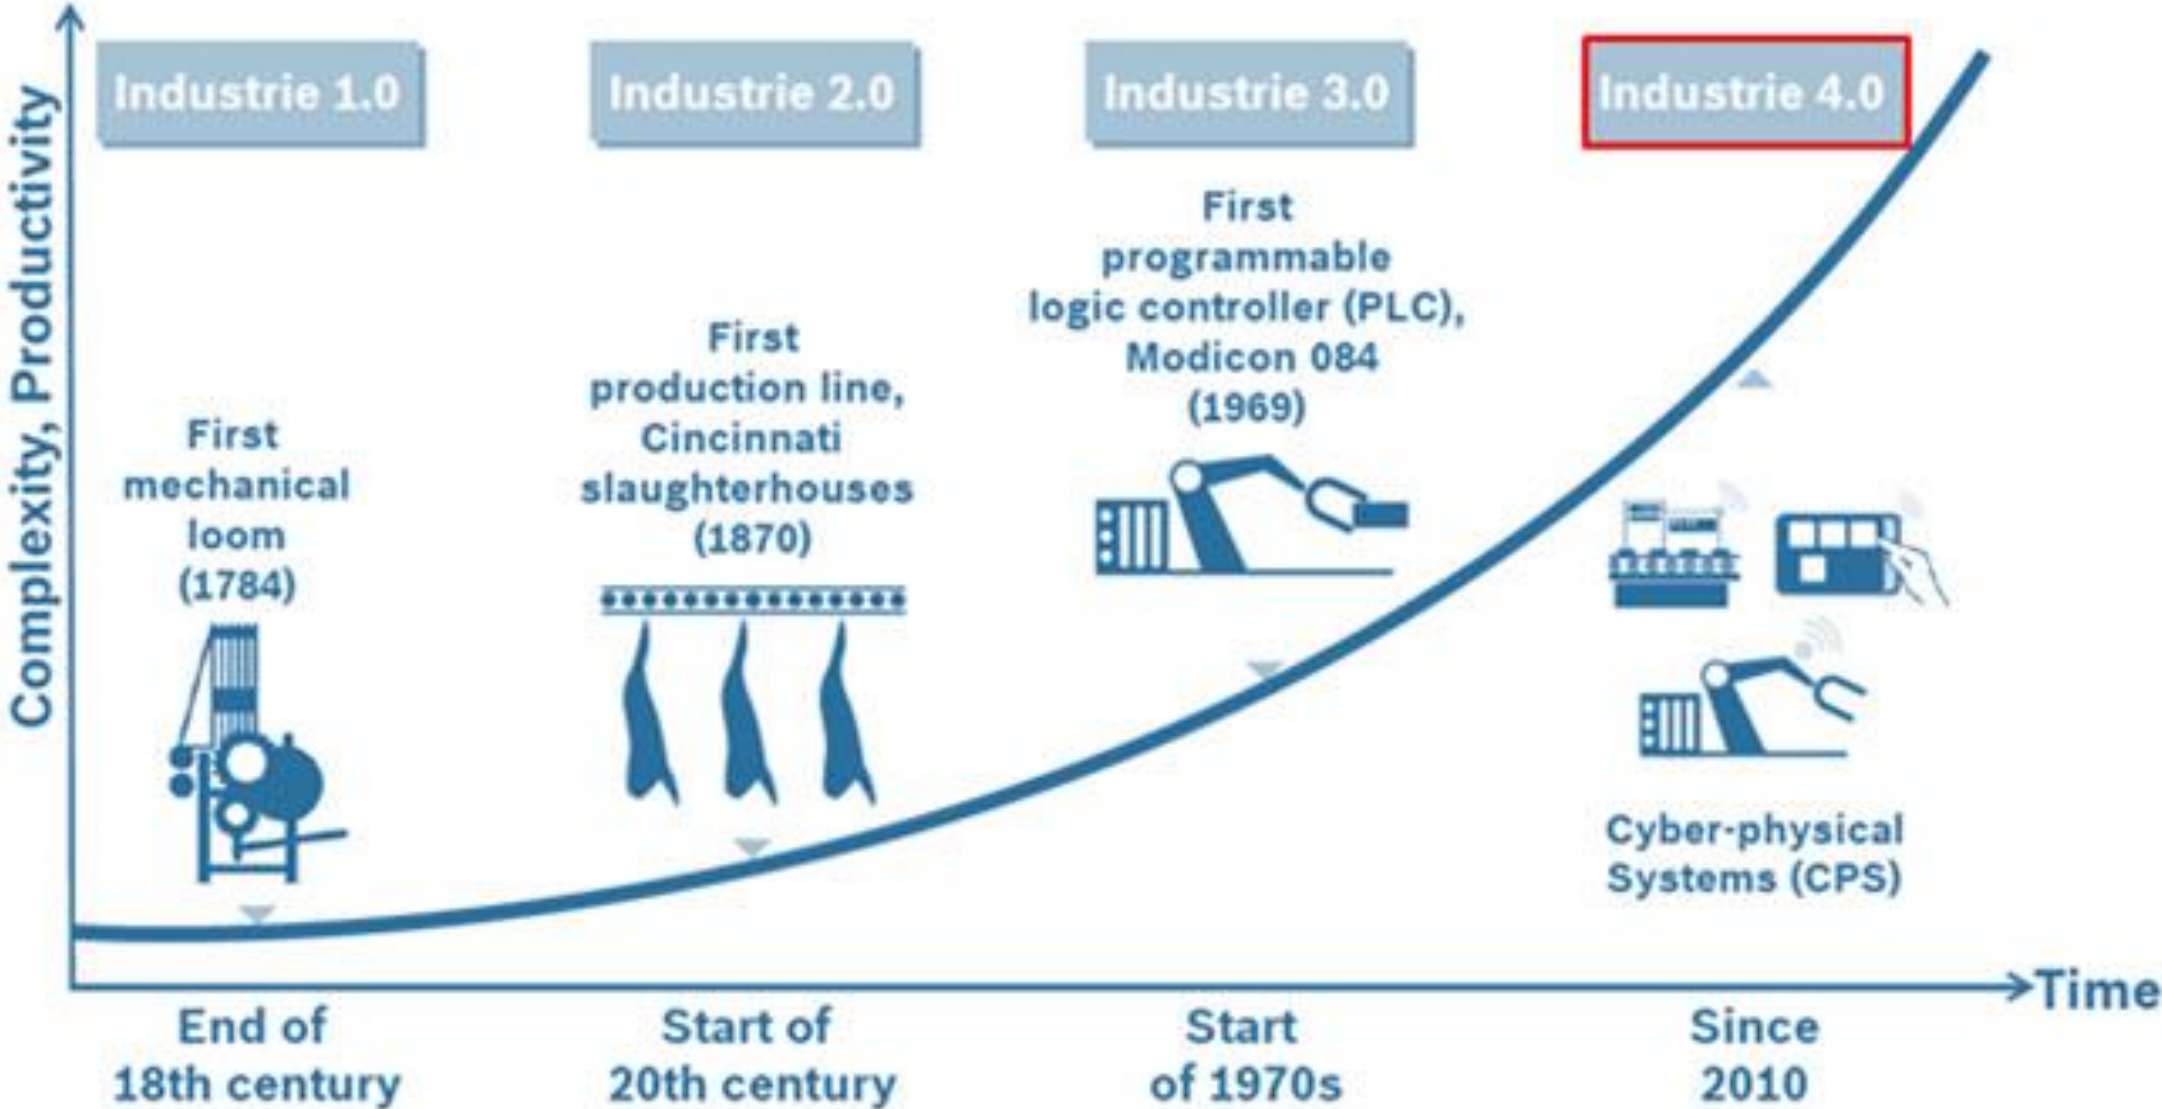

- Exponential curve of population
  - Morris' use of population Models in ***The Genesis Record***
  - Perhaps 9 Billion on Earth at time of Flood
- Daniel 12:4 "But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase."
- Restating Premise: What if the 'Times of Noah' were like today?

# Impact of Gen 6 in Noah's Day

- In 100 years before flood - Blood covered the earth
  - A lot of people
    - *Exponential population growth*
    - *Exponential Agricultural production*
  - A lot of production for weapons

## *Rev 19: 1-2*

*After these things I heard a loud voice of a great multitude in heaven, saying, "Alleluia! Salvation and glory and honor and power belong to the Lord our God!  
"For true and righteous are His judgments, because He has judged the great harlot who corrupted the earth with her fornication; and He has avenged on her the blood of His servants shed by her."*
